PARTNER & ALLIED GOVERNMENTS

# Foreign Internal Defense advisory for allied and partner nations.

SAG advises ministries, national police and protective services working to strengthen internal security, institutional capacity and public safety. We work directly with ministries, through U.S.-funded assistance programs, or alongside prime contractors.

*I*
### Intelligence Consultation
Analytic tradecraft, collection architecture and decision support for national security leadership.

*II*
### Training & Capability Building
Protective, investigative and tactical instruction for national units, with train-the-trainer continuity.

*III*
### Equipment Advisement
Requirements, sourcing guidance and sustainment planning under ITAR, EAR and export-control law.

*IV*
### Internal Defense Advisement
Assessment and planning to address instability, protect institutions and improve public security.

## GUARD FORCE MANAGEMENT

### Organization & Supervision
Chain of command, shift supervision, post orders and performance oversight.

### Recruiting & Vetting
Contractor-conducted background investigations for every guard, supporting the U.S. Government's own suitability process.

### Training & Readiness
Initial and recurring training, drills and documentation.

### Overseas Operations
Operating abroad with host-nation workforces and local partners, in compliance with host-nation labor law.

## KEY PERSONNEL

### Joshua Alphonso
**FOUNDER & CHIEF EXECUTIVE OFFICER**

18+ years across AFSOC, SOCOM, the National Security Agency (NSA) and the Office of the Director of National Intelligence (ODNI). Executive MBA, Georgetown University.

### Andrew "Sully" Sullivan
**CHIEF OPERATING OFFICER**

Retired U.S. Navy SEAL Senior Chief, DEVGRU (SEAL Team 6). More than 75 combat missions. Silver Star, two Bronze Stars with Valor, Purple Heart.

## COMPLIANCE & STANDARDS

Combating Trafficking in Persons
Anti-corruption (FCPA)
Export controls (ITAR / EAR)
Background investigation standards
Equal opportunity

All sovereign and government engagements are conducted in compliance with U.S. Government requirements and in accordance with all applicable U.S. and host-nation laws, including the Arms Export Control Act, ITAR, EAR, the Foreign Corrupt Practices Act, and Leahy human-rights vetting requirements. SAG accepts engagements only with governments aligned with United States interests.
